GRAND CIRCUIT OPENED AT

JAPANESE OLYMPIC RUNNERS

WON HONORS IN HANDICAP RACE New York, July 5—Japanese Olympic runners captured the honors in a 19,000 meter handicap race today under the auspices of the Assumption Council, K. of C., at Staten Island. They won the team point trophy by taking the first four places, seventh and eighth. The winner was P. Nogi (3:40) whose time was 32 minutes and 37 1-5 seconds. The time prize went to S. Sano (scratch) finishing in 32 minutes and 1 second. The other scratch runner, H. Kanaturi, finished just behind him.

NORTH RANDALL TRACK
Cleveland, v. 10 y 1 — The 1920
Grand Chroni hardess horse racing season was opened at North Randall track today before the largest crowd that ever attended a meeting here. The programme of seven events took seven hours to finish.

The feature event on the card was the Edwards stake, 2.98 chase pacing divided into two divisions, each worth 13,900. Red Lancelot, driven by Charles Valentine of Columbus, Ohlo, won the first division, John Henry, driven by Tommy Murphy of Pousikeepisc, N. I. won the second division. The best time in each division was 2:031-4, which equalled the track record for the stake.

Valentine was awarded the Edwards cup because Red Lancelot won in atraight heats and in the fastest available time.

Symbol S. Forest, driven by Murphy in the first division, finished second to Red Lancelot and Ednz Early.

The judges fined Murphy S300 for laying back with the gelding in the third heat.

Roy Grattan, winner of the 2:04 pace and Red Lancelot were the only winning favorites.

TIGERS AND BROWNS SPLIT EVEN IN HOLIDAY GAMES

one stone Giant Cushion

This truck tire bridges the gap between Solids and Pneumatics, and, we believe, answers the problem of more truck users in more lines of business than any other heavy-duty truck tire built.

It combines great resiliency with long mileage. At a cost only slightly higher than that of Solid Tires of equal rated size.

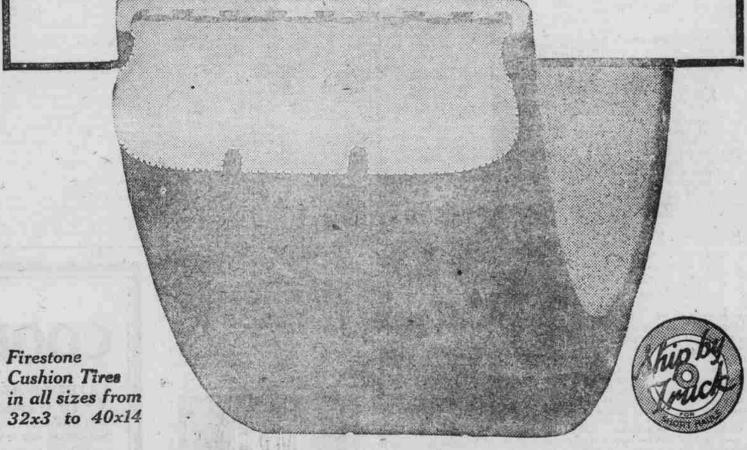

Its truck-mile cost and tiremile cost in most instances is much lower even than solid equipment.

Note the contour of the cross

section—the extra amount of rubber, width of tread. This gives broader road contact, more effective traction, greater cushioning to the load and longer life for tire and truck.

No wheel changes necessary. No change of gear ratio required. Fits any S.A.E. Base. Can be applied to any standard truck wheel without delay and without additional expense. Complies with highway laws-municipal, state or federal.

The Cushion Tire is Firestone's answer to the majority of truck needs today.

There are Firestone Truck Tire Service Stations in every trucking center of the United States
